## CURRICULUM VITAE

### PERSONAL DATA

Name: Ovide F. Pomerleau  
e-mail: ofpom@umich.edu  
website: <https://www.umniclab.org/>  
Address: c/o Joyce Spiegel, Administrative Assistant  
2800 Plymouth Rd  
NCRC Bldg 16, floor 2  
Ann Arbor, Michigan 48105  
Telephone: (734) 845-5046  
e-mail: [spiegelj@med.umich.edu](mailto:spiegelj@med.umich.edu)

### EDUCATION

High School: Waterville High School, Waterville, Maine (September, 1954-June, 1958)  
Undergraduate: Bowdoin College, Brunswick, Maine (September, 1958-June, 1962), B.A. (Philosophy)  
Graduate: Columbia University, New York, New York (September, 1963-June, 1965), M.S. (General Psychology)  
Columbia University, New York, New York (July, 1965-June, 1969), Ph.D. (Experimental Psychology)

### POSTDOCTORAL TRAINING

Clinical Internship in Psychology: Temple University Medical School, Philadelphia, Pennsylvania (September, 1969-June, 1971)

LICENSURE (Clinical Psychologist)

Commonwealth of Pennsylvania, 1974, License #PS-001195-L

State of Connecticut, 1980, License #806

State of Michigan, 1987, License #6788

REGISTRY AND DIPLOMATE

Diplomate in Behavioral Psychology, American Board of Professional Psychology [ABPP], American Psychological Association

National Register of Health Service Providers in Psychology, 1974-2009

HOSPITAL APPOINTMENTS

University of Michigan Health Center

General privileges—Clinical Psychology (August, 1985-present)

Specialty privileges—Behavioral/Health Psychology (September, 1995-present)

Comprehensive Cancer Center - Division of Preventive Oncology (December, 1998-2009)

ACADEMIC APPOINTMENTS

Assistant Professor of Psychiatry, Temple University Medical School, July, 1969-June, 1972

Assistant Professor of Psychology in Psychiatry, University of Pennsylvania School of Medicine, July, 1972-June, 1978

Associate Professor of Psychology in Psychiatry, University of Pennsylvania School of Medicine, July, 1978-June, 1979

Professor of Psychiatry (Psychology), University of Connecticut School of Medicine, July, 1979-July, 1985

Professor of Psychology in Psychiatry, University of Michigan School of Medicine, August, 1985-2009

Visiting Scholar, SRI International, Menlo Park, CA, January, 2003-March, 2003

Professor Emeritus of Psychology in Psychiatry, University of Michigan School of Medicine, 2009-present

#### ADMINISTRATIVE APPOINTMENTS

Founder and Director, Center for Behavioral Medicine, Hospital of the University of Pennsylvania, May, 1973-June, 1979

Chair, Evaluation Committee and Preceptor, Psychology Intern Training Program, Department of Psychiatry, University of Pennsylvania School of Medicine, June, 1976-June, 1979

Director, University of Connecticut Behavioral Medicine Program (Behavioral Medicine Inpatient, Outpatient, and Liaison Units, Behavioral Medicine Laboratory), Veterans Administration Medical Center, Newington, Connecticut, July, 1979-July, 1985

Chief of Psychology, Veterans Administration Medical Center, Newington, Connecticut, August, 1980-July, 1985

Director, Behavioral Medicine Program (Nicotine Research Laboratory, Behavioral Medicine Clinics), Department of Psychiatry, University of Michigan School of Medicine, August, 1985-2009

Interim Director, University of Michigan Substance Abuse Center, January, 1988-June, 1989

Director, University of Michigan Substance Abuse Research Center, July, 1996-June, 1997

#### CONSULTING POSITIONS

##### U.S.A.

National Institutes of Health:

Member, Division of Research Grants, Behavioral Medicine Study Section, National Heart, Lung, and Blood Institute, 1980

Ad hoc reviewer, Training Grant Review Section, 1977-1980

Ad hoc reviewer, National Cancer Institute, 1983-2009

Member, National Institute on Drug Abuse, Human Basic and Clinical Neuroscience of Drug Addiction Study Section, 1994; ad hoc reviewer 1995, 1997

Consultant, National Institute on Drug Abuse, Training Director's Conference, 1996, 1998

Consultant, NIH Conference Concerning the FDA initiative to regulate nicotine in tobacco products, 1996

Consultant, NIDA SBIR Contract Advisory Meeting on the preparation of research cigarettes with specified quantities of nicotine, Rockville, MD, 1998

Ad hoc reviewer, NIDA, RFP on genetic vulnerability, 1999

Chair, NIDA Special Emphasis Panel on Genetics and Consequences of Nicotine Addiction, 2000

Member, NIDA Special Emphasis Panel for Center Grants (ZDA1 RXL-E 14), 2001-2005

Ad hoc reviewer, NIDA Special Emphasis Panel for RFA on Translation Research on Tobacco Addiction (RFA DA-03-010-7-03), 2003

*Ad hoc* reviewer, Veterans Administration, 1980-1989

Reviewer for *Surgeon General's Report*, Public Health Service, 1980

Advisory Board, Pawtucket Heart Health Project, Brown University School of Medicine, 1980-1990

*Ad hoc* reviewer, American Cancer Society, 1981

Chair, Clinical Investigations Review Panel, University of Connecticut Research Foundation, 1983-1984

Co-chair, Phase Two Evaluation of Behavioral Pharmacology, National Institute on Drug Abuse, 1985-1986

Contributor and technical Consultant, *Surgeon General's Advisory Committee on the Health Consequences of Smokeless Tobacco*, 1985-1986; *Surgeon General's Report on the Health Consequences of Nicotine Addiction*, 1988; *Surgeon General's Report on Women and Smoking*, 1997

Member, Smoking Behavior Study Group, Harvard University Institute for the Study of Smoking Behavior and Policy, 1985-1990

Chair, Task Force Four: Nicotine and Smoking Relapse, Smoking Relapse Workshop, National Heart, Lung, and Blood Institute, 1985

Technical Consultant, American Psychiatric Association Committee for DSM-III-R, Criteria for Tobacco Dependence and Tobacco Withdrawal, 1986

Clinical Consultant, Pharmacological Treatment of Smoking, Lederle Laboratories, 1992; CIBA-GEIGY, 1991-1992

Research Consultant, Pharmacological Treatment of Smoking, Lilly Pharmaceuticals, 1986 - 1988; 1993; 1997; 1998

Site Visitor, Francis Scott Key-Johns Hopkins Medical School Geriatric Research Center, National Institute on Aging, January, 1988

Contributing Author, U.S. Department of Health and Human Services (1988). *The health consequences of smoking: Nicotine addiction* (A report of the Surgeon General). Washington, D.C.: U.S. Government Printing Office (Pub. #DHHS [CDC] 88-84-06)

Advisory Board, Cambridge Center for Behavioral Studies, 1982

Contributor, Food and Drug Administration briefing book on the regulation of nicotine in cigarette manufacturing, Bethesda, MD, 1994

Initiator, Conference on Nicotine Safety and Toxicity, Society for Research on Nicotine and Tobacco, Atlanta, GA, 1995

American Psychological Association, Public Policy Office—consultant to US Congress for Tobacco Settlement Legislation, 1997

Advisory Board, Georgetown University Transdisciplinary Tobacco Use Research Center, 1999-2001

Advisory Board, Brown University Transdisciplinary Tobacco Use Research Center, 1999-2004

Advisor, National Cancer Institute Human Genetics Intramural Laboratory (Dean Hamer, Ph.D., Director), 1999-2000

Scientific Advisor, American Legacy Foundation, 2000-2001

Invited Consultant, “Addressing Tobacco Dependence among Smokers with Mental Illness or Addiction.” Robert Wood Johnson Foundation, Princeton, NJ, November 6, 2002

Advisory Board, University of Pennsylvania Transdisciplinary Tobacco Use Research Center, 2003-2008

Member, Regional Advisory Board on Smoking Cessation, Chicago, IL, Pfizer, Inc., March 8-9, 2006

Member, Regional Advisory Board on Smoking Cessation, Atlanta, GA, Pfizer, Inc., March 9-10, 2007

Member, Scientific Advisory Board member: University of Wisconsin Center for Tobacco Research and Intervention National Cancer Institute P50 Center), 2010-2012

Grant Reviewer: American Association for the Advancement of Science (AAAS) Research Competitiveness Program, February, 2010

International

Ad hoc reviewer, Medical Research Council of Canada

Ad hoc reviewer, British Columbia Health Care Research Foundation

Scientific Chair, Planning Committee for World Congress on the Pharmacologic Treatment of Tobacco Dependence, Harvard University Institute for the Study of Smoking Behavior and Policy, 1985

Chair, International Conference on Nicotine Replacement Strategies, sponsored by the University of Michigan and Harvard University, January, 1987

Scientific Reviewer, Verum Stiftung für Verhalten und Umwelt, Munich, Germany, 1992, 1996, 1997

Reviewer, Ove Fernö Research Award Competition; Helsingborg, Sweden, 1995

Program Committee, SRNT-Europe Conference, Advances in Neurosciences and Pharmacology of Nicotine, College de France, Paris, 2001

SCIENTIFIC ACTIVITIES

Editorial Boards

*Addictive Behaviors* (1980-2009)

*Behavior and Social Issues*, Consulting Editor (1989-2004)

*Behavioral Medicine Abstracts* (1979-1983)

*Behavioral Medicine Monograph Series* (1983)

*Journal of Applied Behavior Analysis* (1983-1985)

*Journal of Behavioral Medicine* (1979 - 1985)

*Journal of Substance Abuse* (1990-2009)

*Preventive Medicine*, Associate Editor (1983-1986)

*The International Journal of Smoking Cessation* (1991-2009)

*Nicotine & Tobacco Research* (1998-2001)

Reviewer

*Addiction Science & Clinical Practice*  
*American Psychologist*  
*Annals of Internal Medicine*  
*Behavioral Assessment*  
*Behavior Modification*  
*Behavior Therapy*  
*Cognitive Therapy and Research*  
*Canadian Journal of Behavioral Science*  
*Drug and Alcohol Dependence*  
*Health Psychology*  
*Journal of Abnormal Psychology*  
*Journal of Applied Behavior Analysis*  
*Journal of Applied Social Psychology*  
*Journal of Behavior Therapy and Experimental Psychiatry*  
*Journal of Consulting and Clinical Psychology*  
*Journal of Studies on Alcohol*  
*Journal of Substance Abuse*  
*Life Sciences*  
*New England Journal of Medicine*  
*Nicotine & Tobacco Research*  
*Pediatrics*  
*Pharmacology, Biochemistry & Behavior*  
*Physiology and Behavior*  
*Preventive Medicine*  
*Psychological Bulletin*  
*Psychological Reviews*  
*Psychopharmacology*  
*Psychophysiology*  
*Psychosomatic Medicine*  
*Public Health Reports*  
*Science*  
*The Quarterly Review of Biology*

Publishing Consultant

Cambridge University Press  
John Wiley, Inc.  
Plenum Publishing  
Williams & Wilkins  
Worth Publishing  
Carfax Publishing, Taylor & Francis Group (Oxfordshire, UK)

Tenure and Promotion Reviewer

Department of Psychology, Vanderbilt University, 1982  
Department of Medical Psychology, Uniformed Services University of the Health Sciences, 1984, 1989  
Department of Psychology, SUNY-Albany, 1984  
Department of Psychiatry, University of California-Los Angeles, 1985  
Department of Psychology, University of Toronto, 1985, 1986  
Department of Psychiatry, University of Pittsburgh, 1985, 1998  
Department of Psychology, University of Pittsburgh, 1986  
Department of Psychology, University of Florida, 1986  
Department of Psychiatry, Harvard Medical School, 1986  
Department of Psychiatry, Brown University Medical School, 1986, 1989, 1998, 2001  
Department of Psychology, Rutgers University, 1986  
Department of Psychiatry, University of Vermont, 1987  
Department of Psychology, University of Rochester, 1987  
School of Pharmacy, University of Colorado, 1988  
Department of Psychiatry, University of Pennsylvania, 1988  
Department of Psychiatry, Duke University, 1989, 1990  
Department of Psychiatry, University of Connecticut, 1989  
Department of Family Medicine, University of California, Davis, 1989  
Department of Psychology, University of Pittsburgh, 1990  
Department of Psychiatry, University of Texas, Houston, 1991  
Behavioral Medicine Branch, NHLB1, 1992  
Faculty of Biology, Eidgenossische Technische Hochschule, Zurich, Switzerland, 1991  
Department of Pharmacology and Medicinal Chemistry, University of Newcastle, Newcastle-Upon-Tyne, United Kingdom, 1992  
School of Dental Medicine, University of Connecticut, 1994  
Department of Criminology, University of South Florida, 1996  
Department of Psychiatry, University of Pittsburgh, 1999  
Department of Psychology, University of Colorado, 2002  
Department of Biobehavioral Health, Pennsylvania State University, 2003  
Promotions Committee (Jury pour Habilitation à Diriger des Recherches) University of Paris (Sorbonne), 2003  
Department of Medicine, Duke University Medical Center, 2004  
Department of Epidemiology and Public Health, Yale University School of Medicine, 2006  
Department of Psychology, University of Colorado, 2006  
Department of Psychiatry, Virginia Commonwealth University, 2007  
Department of Psychology, University of Pittsburgh 2008  
Department of Psychiatry, University of Michigan 2008

Other Activities

MacArthur Foundation Research Network on Determinants and Consequences of Health-promoting and Health-damaging Behavior; Member, Yale Health Psychology Node, 1983-1988

MacArthur Foundation - Evaluation reviewer for Network on Health Promoting and Health Damaging Behavior, 1993

GRANT SUPPORT

Past

Principal Investigator, VA Merit Award, "Underlying mechanisms in smoking," 1980-1985

Principal Investigator, National Cancer Institute, "Cholinergic/beta-endorphinergic reinforcement of smoking," 1984-1987

Principal Investigator (with Paul Rozin, Ph.D.), MacArthur Foundation Network on Health-promoting and Health-damaging Behaviors, "Investigation of the role of the endogenous opioid system in the preference for chili pepper," 1986-1987

Principal Investigator (with Judith Rodin, Ph.D.), MacArthur Foundation Network on Health-promoting and Health-damaging Behaviors, "Modulation of craving for food and of eating by endogenous opioid activity," 1986-1987

Principal Investigator, Lilly Research Laboratories, "Fluoxetine vs. placebo: Fixed dose in smoking withdrawal," 1986-1988

Principal Investigator (with Jed Rose, Ph.D.), MacArthur Foundation Network on Health-promoting and Health-damaging Behaviors, "Noninvasive method of delivering known doses of nicotine," 1986-1988

Principal Investigator, National Cancer Institute, "The role of anxiety in cigarette smoking," 1987-1991

Principal Investigator, Lilly Research Laboratories, "Fluoxetine vs. placebo: Intermittent vs. continuous therapy for obesity," 1988-1991

Principal Investigator, Lilly Research Laboratories, "Effects of fluoxetine upon carbohydrate and fat preference during weight loss," 1988-1991

Principal Investigator, CIBA-GEIGY, "Double-blind evaluation of transdermal Nicotine Systems (TNS) vs. pseudo placebo systems in the treatment of tobacco withdrawal in cigarette smokers," 1989-1990

- Principal Investigator, University of Michigan Clinical Research Center, "Noninvasive delivery of specified doses of nicotine," 1990
- Principal Investigator, Merrell Dow Research Institute, "A multi-center evaluation of the safety and efficacy of Nicorette 4mg as a smoking cessation aid for highly dependent smokers," 1989-1991
- Principal Investigator, University of Michigan Psychiatry Research Committee, "Menstrual changes in smoking and sweet taste preference," 1990-1991
- Principal Investigator, CIBA-GEIGY Corp., "Noninvasive rapid dosing of nicotine," 1991-1992
- Principal Investigator, Merrell-Dow Research Institute, "Effects of MDL-73147 on craving in smokers," 1991-1992
- Principal Investigator, National Institute on Drug Abuse, "Corticosteroids, stress, and nicotine dependence," 1990-1993
- Principal Investigator, Elan Pharmaceutical Research Corp., "An evaluation of 30 mg nicotine transdermal patch as an aid in smoking cessation," 1990-1992
- Principal Investigator, "Relief of early morning craving by Nicoderm," Marion Merrell Dow, 1993-1994
- Principal Investigator, Kabi Pharmacia, "Test of chronic and acute nicotine dosing in patients with Parkinson's Disease," 1993-1994
- Principal Investigator, National Cancer Institute, "Smoking and the effects of nicotine in women," 1991-1995; Administrative Supplement, "Initiative for Research on Women's Health Issues," 1993-1995
- Principal Investigator, Marion Merrell Dow, "Transdermal nicotine treatment for dysphoric smokers," 1994-1996
- Co-Investigator (with Gregory Dalack, Principal Investigator), Department of Veterans Affairs, Ann Arbor VAMC, "Effects of nicotine withdrawal on psychiatric symptoms in cigarette smokers with schizophrenia," 1994-1996
- Principal Investigator, National Institute on Drug Abuse, "Individual differences in sensitivity to nicotine," 1993-1999
- Principal Investigator, University of Michigan Substance Abuse Center, National Institute on Drug Abuse training grant, "Substance abuse interdisciplinary research training program," 1995-1999
- Principal Investigator, McNeil Consumer Products Company, "Temporal effects of nicotine gum and nasal spray on plasma nicotine concentration and desire to smoke in moderate- to high-dependent smokers," 1997-1999
- Principal Investigator, University of Michigan Comprehensive Cancer Center, "Quality of Life of Testicular Cancer Patients During Chemotherapy," 1999-2000

- Co-Investigator (with Cynthia S. Pomerleau, Principal Investigator), National Heart, Lung, and Blood Institute, "Bingeing and weight gain upon smoking cessation in women," 1995-2001
- Grant-in-aid, Lilly Research Laboratories, fluoxetine and placebo to support NCI-funded project ("Depression, HPA function, & smoking abstinence in women," 1998-2001
- Principal Investigator, Munn Research Grant, University of Michigan Comprehensive Cancer Center. "Phenotypic and genotypic differences in sibling pairs concordant and discordant for smoking," 2000-2001
- Principal Investigator, National Cancer Institute, Program Project (P01), "University of Michigan Nicotine Research Consortium"; includes:
- Director, Administrative Core, 1997-2002
  - Co-Leader (with Cynthia S. Pomerleau, Project Leader), National Cancer Institute, "Nicotine dependence and withdrawal in adult ADHD," 1997-2002
  - Co-Leader (with Andrew Heath, Project Leader), National Cancer Institute, "Behavioral Genetics of Nicotine Dependence," 1997-2002
- Principal Investigator, National Cancer Institute, "Genetics of smoking and nicotine dependence in families," 1999-2002
- Principal Investigator, National Cancer Institute, "Depression, HPA function, & smoking abstinence in women," 1996-2002
- Principal Investigator, The Robert Wood Johnson Foundation, "Support for editorial expenses for the journal, *Nicotine & Tobacco Research*" 1999-2000 (administered by the Society for Research on Nicotine and Tobacco)
- Principal Investigator, Office of the Vice President for Research, University of Michigan, "Genetics of Smoking and Nicotine Dependence in Families - Maintenance Support," 2002
- Principal Investigator, Biomedical Research Council, University of Michigan, "Genetics of Smoking and Nicotine Dependence in Families - Interim Support," 2002
- Co-Investigator (with Gary Swan, Principal Investigator), SRI International/National Institute on Drug Abuse, "Pharmacokinetics of Nicotine in Twins", 1998-2004
- Principal Investigator, National Institute on Drug Abuse, "Differentiation of phenotypes for smoking," 1999-2005

Principal Investigator, National Institute on Drug Abuse, "Differentiation of phenotypes for smoking - Administrative Supplement," 2000-2005

Principal Investigator, National Institute on Drug Abuse, "Differentiation of phenotypes for smoking - Administrative Supplement," 2003-2005

Principal Investigator, Sanofi-Synthelabo, "Comparison of the efficacy and safety of 2 oral doses of rimonabant, 5 mg/day and 20 mg/day, vs. placebo, as an aid to maintenance of smoking cessation – a multiple country, randomized, double-blind, 5 arm, placebo-controlled, parallel-group, fixed dose, 2-year, multi-center, Phase III trial; 1-year treatment, 1 year follow-up (Study No.: EFC4796)," 2002-2005

Co-Investigator (with Laura Bierut, Principal Investigator), National Institute on Drug Abuse, "Genome wide association scan for nicotine dependence," 2004-2005

Principal Investigator, National Institute on Drug Abuse, "Effects of family smoking history in never-smokers," 2002-2008

Co-Investigator (with Victor Strecher, Principal Investigator), National Cancer Institute, "Effectiveness of tailoring depth in Web-based smoking interventions," 2003-2008

Co-Investigator (with Victor Strecher, Principal Investigator), National Cancer Institute, Center Grant, "Michigan Center for Health Communications Research," 2003-2008; includes:

“Studying the active components of smoking interventions”  
(component project)

Theory and Measurement Core

Principal Investigator, National Institute on Drug Abuse, "Genes for smoking in related and unrelated individuals," 2003-2009

## PRIVATE PRACTICE

Behavior therapy and general psychotherapy, Hospital of the University of Pennsylvania, 1974-1979

Cognitive Behavior Therapy, Behavioral Medicine Clinics, Division of Ambulatory Care, Department of Psychiatry, University of Michigan Hospitals, 1987-2005

## HONORS AND AWARDS

Fellow, American Psychological Association:  
Division 25 (Experimental Analysis of Behavior)  
Division 28 (Psychopharmacology and Substance Abuse)

Division 38 (Health Psychology)  
Division 50 (Addictions)  
Fellow, American Psychological Society  
Fellow, Academy of Behavioral Medicine Research  
Fellow, Society of Behavioral Medicine  
Sigma Xi  
Founding President, Society for Research on Nicotine and Tobacco  
Ove Ferno Award, Society for Research on Nicotine and Tobacco, 2004

## MEMBERSHIPS AND OFFICES IN PROFESSIONAL SOCIETIES

Academy of Behavioral Medicine Research (founding member); Membership Committee (1982-1983)  
American Psychological Association, Divisions 25, 28, and 38  
Association for the Advancement of Behavior Therapy  
Behavioral and Brain Sciences, Associate  
Behavior Therapy and Research Society, Clinical Fellow (charter member)  
Behavioral Pharmacology Society  
College for Problems on Drug Dependence; Working Group on Smoking, Tobacco, and Health Policy  
International Society of Psychoneuroendocrinology  
Society of Behavioral Medicine (charter member); Chair, Publications Board (1979-1983); Board of Directors (1979-1983)  
Society for Research on Nicotine and Tobacco (founding member); President (1994-1995); Chair, Long Range Planning Committee and Member, Executive Committee (1995-1996); Chair, Publications and Communications Council (1997-2000); founder of the scientific journal, *Nicotine & Tobacco Research* (1999); Chair, Liaison Committee for the World Congress on Tobacco Or Health (2000); Chair, Global Network Committee (2001-2005)

## TEACHING ACTIVITIES

### Thesis Committees and Fellowship Training

Master's thesis: "The role of the parent in children's compliance behavior,"  
University of Connecticut School of Dental Medicine, 1983

Doctoral dissertation: "Beta-endorphin and the reinforcement of smoking,"  
University of Connecticut Department of Psychology, 1985

Master's thesis: "The effects of smoking during performance demand," University  
of Hartford Department of Psychology (neuroscience program), 1985

Doctoral dissertation: "Personality, antecedents, and affective correlates of substance abuse in adolescents," University of Michigan School of Education, 1988

Fellowship supervision: Behavioral Medicine PGY VI in Psychiatry, 1986-1987  
Behavioral Psychopharmacology, Psychiatry PGYV-VI, 1992-1994

Fellowship supervision: Behavioral Medicine Post-doctoral Clinical Psychology, 1988-2003

Fellowship supervision: Behavioral Medicine post-doctoral research, 1990-2003

Preceptor and Advisor, Scientific Career Development Award, ADAMHA: Lori Karan, M.D., Virginia Commonwealth University, 1993-1998

Preceptor and Advisor, Scientific Career Development Award, NIDA: Pamela Madden, Ph.D., Washington University, 1995-2000

Co-Chair, doctoral dissertation committee for Zaje Harrell: "Substance abuse in college-aged women," Department of Psychology, LS&A, University of Michigan, 2000

Doctoral Dissertation: Kathy Chadman: Behavioral pharmacology of chlorisondamine and nicotine self-administration," Department of Pharmacology, School of Medicine, University of Michigan, 2003

### Courses and Lectures

Lecture, Neural and Behavioral Sciences 600 (second year medical students), Department of Psychiatry, University of Michigan School of Medicine: "Behavioral medicine" (I and II), 1986-1994

Course Director, Behavioral Therapies (PGY-III core), Department of Psychiatry, University of Michigan School of Medicine, 1986-1992

Course Director and Symposium Organizer, "Nicotine uses and abuses: From brain probe to public health menace," all-day conference (part of Pharmacology PNMRXD.001) at Towsley Graduate Medical Education Center, 1/20/88

Lecture, "Behavioral medicine and prevention," 11/18/87; and seminar presentation on "Methodological and research issues in design of social intervention," School of Social Work, 2/2/88

Lecture, Continuing Medical Education in Family Practice, "You can get your patients to stop smoking," 2/24/88

- One-day Workshop, Society of Behavioral Medicine, "Commonalities in addiction: Mechanisms and processes," 4/27/88
- Major Conference, Department of Psychiatry, "Is substance use adaptive: Some biobehavioral considerations," 5/25/88
- Co-instructor, bi-weekly post-doctoral seminar on Psychopharmacology and Substance Abuse, Behavioral Medicine Program, 1988-1994
- Lecture, "Rapid dosing of nicotine via aerosol delivery," Clinical Research Center Seminar Series, 1/91
- Lecture, "Biobehavioral research on nicotine dependence," Center for Nursing Research, 3/12/91
- Preception in Behavioral Psychopharmacology, PGY-III Residents in Psychiatry (typically 2 to 3 residents, each with 2 assigned patients reviewed weekly); PGY-IV Selective in Behavioral Treatment (2 residents per year)
- Course Director, Behavioral Therapies (PGY-III Core), Department of Psychiatry, University of Michigan, School of Medicine, 1993-2005
- Lecture, "Treatment of obesity, smoking, and alcoholism" PGY-III Psychosomatic Core-Behavioral Therapy of Adult Disorders, 5/6/93; 9/23/93
- Lecture, "Individual difference in sensitivity to nicotine," Clinical Neuropsychology and Behavioral Neurology Seminar, 6/1/93
- Practicum in Behavior Therapy, PGY-II Residents (summer, 1993)
- Lecture, Psychosomatic Core, PGY-II Residents, "Smoking Cessation", 9/22/94; 10/16/95
- Panelist (with John Greden, M.D., & Jean-Paul Pergeron, M.D.) University of Michigan, Psychiatry Grand Rounds, "Effects of chronic physical illness on adult psychopathology," presented by Milton Huang, M.D., 2/2/94
- Invited Speaker on DSM-IV Diagnosis of Substance Induced Sexual Dysfunction, University of Michigan Psychiatry, 2/16/94
- Host, Department of Psychiatry, Invited Speaker Series on Substance Abuse (Roy Wise, Ph.D.; Ovide Pomerleau, Ph.D.; Charles O'Brien, M.D.; Mark Sobell, Ph.D.), Fall, 1994

- Major Conference, Department of Psychiatry, "Why Some People Smoke", 9/28/94
- Course Director, University of Michigan Substance Abuse Research Center/NIDA Training Pro-Seminar Series, 1995-1996
- Lecture, Nicotine as a substance of abuse; University of Michigan Substance Abuse Research Center/NIDA 14 session Pro-Seminar, 2/8/95
- Course Co-Director (with C.S. Pomerleau) 11 session Post-Doctoral Seminar, Research on Nicotine and Tobacco, 1995-1996; 1996-1997
- Lecture on nicotine dependence, LS&A undergraduate Psychopathology Laboratory, 10/30/96
- Conference Organizer, Harm Reduction Strategies on Substance Abuse, University of Michigan Substance Abuse Research Center, May 6-7, 1997
- Lecture on treatment of smoking and its co-factors, State of Michigan Center for Forensic Psychiatry, Ypsilanti
- Course Co-Director (with C.S. Pomerleau), Biobehavioral Phenotyping of Nicotine Dependence, for Nicotine Research Consortium (NCI Program Project) Investigators, Pamela Madden & Eric Sirevaag (Washington University), 11/10-11/97
- Course Director (with Steven Schwartz and Peter Trask) Behavioral Medicine Series for Psychiatry Grand Rounds (four lectures), 1998
- Lecture, Nicotine dependence and its co-morbidities; Developmental Psychopathology and Mental Health Program, Department of Psychology, University of Michigan, 10/21/98
- Host, University of Michigan Cancer Center Grand Rounds, Jerry Stitzel on Genetic Strategies to identify the basis of nicotine use and abuse, 11/20/98
- Presenter, Survival strategies in the conduct of biobehavioral research; Post-Doctoral Fellow Forum, Psychology Division, Department of Psychiatry, 10/27/99
- Lecture, Individual differences in sensitivity to nicotine: Implications for genetic research on smoking; Department of Health Management Policy, School of Public Health, University of Michigan, 11/25/98; 9/22/99
- Host, University of Michigan Cancer Center Grand Rounds, Allan Collins, Ph.D., on Nicotine receptor genetics and behavior, 11/12/99

Lecture, Smoking Cessation: Update and research strategies; University of Michigan CCOP Research Investigators Meeting, 2/24/00

Co-presenter, Treatment of addiction and craving for drugs; University of Michigan Substance Abuse Research Center (UMSARC) Pro-Seminar Series, 3/22/00

Host, University of Michigan Cancer Center Grand Rounds, Neal Benowitz, M.D., on Ethnic differences in the pharmacology of nicotine: Implications for lung cancer risk, 5/19/00

Lecture, "Beware the smoking gene," University of Michigan School of Public Health Symposium on Tobacco's Future, University of Michigan Tobacco Research Network (UMTRN), Conference for Journalism Fellows, 6/16/00.

Lecture, "Behavioral treatment of nicotine and other drug interventions," University of Michigan Substance Abuse Research Center (UMSARC) Training Seminar, 2/13/02

Lecture (with Patricia Tessler), "How to survive the NIH grant review process," Psychology Division, University of Michigan, 3/26/02

Lecture (with Patricia Tessler), "The Research Enterprise," Psychology Division, University of Michigan, 10/23/03

Organizer and Moderator, Identifying Genes for Smoking and Nicotine Dependence: Is it Feasible and Worthwhile? Half-day conference sponsored by the University of Michigan Tobacco Research Network (UMTRN), 6/9/05

Depression Center Colloquium Series. Effective Management of the Depressed Smoker. Ovide F. Pomerleau, Ph.D., Introduction; Sonia Duffy, Ph.D., Behavioral Treatment of Depressed Smokers; Maher Karam-Hage, M.D., Pharmacological Treatment of Depressed Smokers. University of Michigan, 5/19/06

Roundtable Moderator, Nicotine as a Reinforcing Drug: From Science to the Shaping of Policy. Conference sponsored by the University of Michigan Substance Abuse Research Center (UMSARC), 3/26/10

UNIVERSITY OF MICHIGAN COMMITTEES AND ADMINISTRATIVE SERVICE

Coordinator (with Donald Kewman, Ph.D.), Behavioral Medicine Interest Group, 1985-1987

Member, Substance Abuse Task Force (Advisory Committee for Center for Excellence in Substance Abuse), 1985-1988

Chair, Search Committee for VAMC Chief Psychologist, 1985-1986

Member, Search Committee for Director of Alcoholism Program, 1985-1986

Member, Chairman's Advisory Committee, Department of Psychiatry, 1986-1989

Member, Search Committee for Director of Eating Disorders Program, 1986

Member, Task Force to Foster Integration of VAMC and Department of Psychiatry Alcoholism Programs, 1986

Member, Preventive Medicine Curriculum Committee (to reorganize Preventive Medicine course content for medical students), 1986

Member, Department of Psychiatry Space Planning Committee, 1986

Member, Department of Psychiatry Computer Network Committee, 1986-1988

Member, Department of Psychiatry Mental Health Research Institute Research Support Facility Evaluation Committee, 1986

Member, Department of Psychiatry Post-doctoral Psychology Training Committee, 1987-2006

Mock Site Visitor, University of Michigan Alcoholism Research Center, 5/2/87; Chair of Mock Site Visit, 4/22/93; 10/29/97; 4/10/98

Internal Advisory Board, University of Michigan Alcoholism Research Center, 1993-1998; 1998-2003

Chair, Department of Psychiatry Committee to Recommend Policies for Improved Recruitment of Minorities, 1987-1988

Steering Committee Member, *Resource Guide to Behavioral Medicine and Health Psychology at the University of Michigan* Committee, 1987-1990

Chair, Psychiatry Research Assay Support Laboratory Committee, 1988-2005; Member, 1987-1988

- Participant, Licit and Illicit Drug Policy Seminar Series, School of Public Health, 1987-1990
- Member, Executive Committee, University of Michigan Substance Abuse Research Center, 1988-2000
- Chair, Search Committee for Recruitment of Behavioral Psychologist, Children and Adolescent Psychiatric Division, 1989
- Member, University of Michigan Task Force for Alcohol and Other Drugs, 1989- 1991
- Member, Invited Speakers Series Committee (Psychiatry Grand Rounds), 1990-Host, Miniseries on Attention Deficit Disorder, Spring, 1996
- Member, Search Committee for Consultation-Liaison psychiatrist, 1990-1991
- Member, Search Committee for Psychoneuroimmunologist, 1993
- Member, Department of Psychiatry Appointments and Promotions Committee, 1991-1994; 1999-2000
- Member, Department of Psychiatry Pharmaceutical Studies Oversight Committee, 1995-1997
- Member, Behavioral Oncology Division, University of Michigan Cancer Center, 1995-2009
- Co-Chair (1994-1995); Chair (1995-1996), Proseminar Committee and lecturer, NIDA training grant, University of Michigan Substance Abuse Research Center
- Member. Training Committee, NIDA training grant, University of Michigan Substance Abuse Research Center, 1995-2010
- Host, University of Michigan Substance Abuse Research Center Visiting Scientist; Henri-Jean Aubin, M.D., University of Paris, June, 1996
- Member, Dean's Task Force on Clinical Research at the University of Michigan Medical Center, 1996-1997
- Member, Department of Psychiatry Research Council, 1999-2001
- Member, Executive Committee, University of Michigan Tobacco Research Network, 1998-present

Grant Reviewer, Clinical Research Partnership Fund, Office of the Dean, University of Michigan School of Medicine, 2000

Research Consultant to Joseph Himle, Ph.D., on his NIMH Grant on Pediatric Obsessive Compulsive Disorder, 2000-2001

Member, Expert Panel, Center for Public Health and Community Genomics, University of Michigan School of Public Health (Toby Citrin, J.D., Director), 2001

Chair, Search Committee for Associate Director of the Nicotine Research Laboratory, Department of Psychiatry, 2004-2007

Reviewer, Interim Grant Support Program, Office of the Vice President for Research, 2006

Council Member, University of Michigan Chapter, Sigma Xi, 2008-2011

Reviewer, University of Michigan Substance Abuse Research Center, applications to support innovative approaches to investigate aspects of drug use and abuse, 2010

## BIBLIOGRAPHY

### PEER-REVIEWED PAPERS IN SCIENTIFIC JOURNALS

1. Ramsey DA, **Pomerleau OF**, Snapper AG (1968). Two methods for obtaining electrocardiograms of chair-restrained monkeys. *Conditional Reflex* 3:200-204.
2. **Pomerleau OF** (1969). A three-electrode system for EKG recording and aversive shock. *Conditional Reflex* 4:59-60.
3. **Pomerleau OF**, Snapper AG, Schoenfeld WN (1969). Perseveration of cardiac rate effects in the rhesus monkey following Pavlovian conditioning. *Conditional Reflex* 4:52-58.
4. Snapper AG, **Pomerleau OF**, Schoenfeld WN (1969). Similarity of cardiac CR form in the rhesus monkey under several experimental procedures. *Conditional Reflex* 4:212-220.
5. **Pomerleau OF** (1970). The effect of stimuli followed by response-independent shock on shock-avoidance behavior. *Journal of Experimental Analysis of Behavior* 14:11-21.
6. **Pomerleau OF**, Bobrove PH, Harris LC (1972). Some observations on a controlled social environment for psychiatric patients. *Journal of Behavior Therapy and Experimental Psychiatry* 3:15-21.
7. **Pomerleau OF**, Bobrove PH, Smith RH (1973). Rewarding psychiatric aides for the improvement of assigned patients. *Journal of Applied Behavior Analysis* 6:383-390; reprinted in *Psychotherapy and Behavior Change Annual*, H Strupp (Ed.). Chicago: Aldine Publishing Company.
8. **Pomerleau OF**, Bass F, Crown V (1975). The role of behavior modification in preventive medicine. *New England Journal of Medicine* 292(24):1277-1282.
9. **Pomerleau OF**, Pertschuk M, Stinnett J (1976). A critical examination of some current assumptions in the treatment of alcoholism. *Journal of Studies on Alcohol*, 37:849-867; reprinted in *Interfaces between Alcoholism and Mental Health*, E.X. Freed, (Ed.), Vol. 3. New Brunswick, NJ: Rutgers Center of Alcohol Studies.
10. **Pomerleau OF**, Adkins D, Pertschuk M (1978). Predictors of outcome and recidivism in smoking-cessation treatment. *Addictive Behaviors* 3:65-70.
11. **Pomerleau OF**, Pertschuk M, Adkins D, Brady JP (1978). A comparison of behavioral and traditional treatment for middle-income problem drinkers. *Journal of Behavioral Medicine* 1(2):187-200.

12. Pertschuk M, Edwards N, **Pomerleau OF** (1978). A multiple baseline approach to behavioral intervention in anorexia nervosa. *Behavior Therapy* 9:368-376.
13. **Pomerleau OF** (1979). Research priorities in alcohol studies: The role of psychology. *Journal of Studies on Alcohol* (special supplement on research priorities on alcohol studies--the role of the biological, psychological, and social sciences), November 8, 75-95.
14. Pertschuk M, **Pomerleau OF**, Adkins D, Hirsh C (1979). Smoking cessation: The psychological costs. *Addictive Behaviors* 4:345-348.
15. **Pomerleau OF** (1979). Behavioral medicine: The contribution of the experimental analysis of behavior to medical care. *American Psychologist* 34:654-663.
16. **Pomerleau OF**, Hall W (1980). Clinical behavioral medicine in a small general hospital. *American Journal of Clinical Biofeedback* 3:45- 47.
17. **Pomerleau OF** (1980). Limitations of current treatment on smoking: A discourse on the need to understand underlying mechanisms. *Behavioral Medicine Update*, February, 2(1):22-26.
18. **Pomerleau OF** (1981). Underlying mechanisms in substance abuse: Examples from research on smoking. *Addictive Behaviors* 6:187-196.
19. **Pomerleau OF** (1982). A discourse on behavioral medicine: Current status, future trends. *Journal of Consulting and Clinical Psychology*, 50(6):1030-1039. Reprinted in: R.O. Pihl (Ed.), *Readings in Abnormal Psychology*, (1984) (pp. 98-106). Lexington, MA: Ginn Custom Publishing.
20. Hill D, Brande W, Phillips D, **Pomerleau OF** (1983). A rapid, reliable plasma extraction method for nicotine gas chromatographic analysis. *Analytical Letters*, 16(B5): 355-365.
21. **Pomerleau OF**, Fertig JB, Baker L, Cooney N (1983). Reactivity to alcohol cues in alcoholics and non-alcoholics: Implications for a stimulus control analysis of drinking. *Addictive Behaviors* 8:1-10.

PRESENTATIONS

1969

**Pomerleau OF** (1969). The effects of cued, non-contingent shocks superimposed on a shock-avoidance baseline in rhesus monkeys. Paper presented at the annual meeting of the Eastern Psychological Association, Philadelphia, PA, April.

1970

Snapper AG, Schoenfeld WN, **Pomerleau OF** (1970). Effects of two parameters of an adjusting avoidance schedule. Paper presented at the annual meeting of the American Psychological Association, Miami, FL, September.

1973

**Pomerleau OF**, Crown V (1973). The use of behavior modification in preventive medicine. Paper presented at the annual meeting of American Public health Association, San Francisco, CA, November.

1974

**Pomerleau OF**, Ciccone P (1974). Preliminary results of a treatment program for smoking-cessation using multiple behavior modification techniques. Paper presented at the annual meeting of Association for the Advancement of Behavior Therapy, Chicago, IL, November.

1975

**Pomerleau OF** (1975). The role of controlled drinking in the treatment of the alcohol abuser. Invited paper presented at the annual meeting of Pennsylvania Psychological Association, Seven Springs, PA, June.

**Pomerleau OF** (1975). Behavior modification in the health field -- implementation on a national scale. Invited address, Ministry of Health and Welfare, Government of Canada, Ottawa, Canada, October.

**Pomerleau OF**, Pertschuk M, Brady JP (1975). Behavioral treatment of alcohol abuse using multiple techniques. Paper presented at the annual meeting of the Association of the Advancement of Behavior Therapy, San Francisco, CA, December.

Pertschuk M, **Pomerleau OF** (1975). An evaluation of a behavioral treatment program for smoking cessation. Paper presented at the annual meeting of the Association for the Advancement of Behavior Therapy, San Francisco, CA, December.

1976

**Pomerleau OF** (1976). Behavioral treatment of alcohol abuse. Invited paper, Symposium, Treatment of disorders of self-control. Annual meeting of the American Psychosomatic Society, Pittsburgh, PA, March.

**Pomerleau OF** (1976). Controlled drinking in alcoholism treatment. Invited presentation, Symposium, Controlled drinking versus abstinence in alcoholism. Annual meeting of American Psychiatric Association, Miami, FL, May.

**Pomerleau OF** (1976). Evaluation of anti-smoking strategies. Invited lecture, Eastern Section of the American Thoracic Society meeting, Philadelphia, PA, October.

**Pomerleau OF** (1976). Behavioral medicine -- practical applications and future implications. Invited presentation, Symposium, Topics and issues for behavioral medicine. Annual meeting of the Association for the Advancement of Behavior Therapy, New York, December.

**Pomerleau OF**, Pertschuk M, Adkins D, Brady JP (1976). Comparison of behavioral and traditional treatment for problem drinking. Paper presented at the annual meeting of Association for the Advancement of Behavior Therapy, New York, December.

1977

**Pomerleau OF** (1977). Behavioral treatment of middle income problem drinkers: Outcome results. Invited paper presented at the annual meeting of Southeastern Psychological Association, Hollywood, FL, May.

**Pomerleau OF** (1977). Advances in smoking-cessation treatment. Invited testimony to the National Commission on Smoking and Public Policy, American Cancer Society, Philadelphia, PA, June.

**Pomerleau OF**, Pertschuk M, Adkins D, d'Aquili E (1977). Treatment for middle income problem drinkers. Invited lecture, NATO Conference on Behavioral and Experimental Approaches to Alcoholism, Bergen, Norway, August.

**Pomerleau OF** (1977). Research priorities in alcoholism: The role of psychology. Invited presentation, Symposium, Research priorities on alcoholism -- the role of the social, psychological, and biological sciences, Rutgers University, New Brunswick, NJ, October.

**Pomerleau OF** (1977). Risk factor modification in cardiovascular disease. Invited lecture, Somerset County (New Jersey). Heart Association and New Jersey (Rutgers) College of Medicine and Dentistry Conference on Current Trends in Cardiology, Bridgewater, NJ, October.

**Pomerleau OF** (1977). The challenge of behavioral medicine. Invited lecture at Grand Rounds, Liaison Psychiatry, New York Hospital-Cornell University Medical School, New York, November.

Brady JP, **Pomerleau OF**, Pertschuk M (1977). Topics in behavioral medicine: Clinical applications in medical settings. Symposium presented at the annual meeting of the Association for the Advancement of Behavior Therapy, Atlanta, GA, December.

## 1978

**Pomerleau OF** (1978). Behavioral treatment of problem drinking. Invited presentation, Symposium, Prevention of cardiovascular disease and chronic alcoholism by behavior modification at the annual meeting of American Psychosomatic Society, Washington, D.C., March.

**Pomerleau OF** (1978). Why people smoke. Invited paper presented at the Banff International Conference on Behavior Modification, Banff, Alberta, Canada, March.

**Pomerleau OF** (1978). Behavioral treatment of smoking. Invited lecture, Department of Thoracic Medicine, Veterans Administration Hospital, Lyons, NJ, April.

**Pomerleau OF** (1978). Behavioral treatment of problem drinking. Invited colloquium lecture, University of Indiana, Department of Psychology, Bloomington, IN, April.

**Pomerleau OF** (1978). Discussant, Symposium, Behavioral medicine, an emerging psychological practice, Annual meeting of the Pennsylvania Psychological Association, Lancaster, PA, June.

**Pomerleau OF** (1978). Strategies for maintenance. Invited paper presented at the International Conference on Smoking Cessation, NY, June.

**Pomerleau OF** (1978). Discussant, Symposium, Behavioral medicine programs, application and implementation issues. Annual meeting of the American Psychological Association, Toronto, Ontario, Canada, August.

**Pomerleau OF** (1978). Similarities in the understanding and treatment of self-management problems: Smoking, problem drinking, obesity, and heroin use. Invited presentation, Special National Institute on Drug Abuse Conference on behavioral approaches to analysis and treatment of substance abuse, Reston, VA, September.

**Pomerleau OF** (1978). Chair, Symposium, Why people smoke, an examination of recent psychobiological models. Annual meeting of the Association for the Advancement of Behavior Therapy, Chicago, IL, November.

**Pomerleau OF** (1978). The current status of behavioral research on smoking-cessation. Invited lecture, Clinical Psychology Colloquium. Butler Hospital, Brown University Medical School, Providence, RI, November.

**Pomerleau OF** (1978). A comparison of traditional and behavioral treatment for problem drinking: Implications for a theory of substance abuse. Invited lecture presented at the Addiction Research Foundation, Toronto, Ontario, Canada, November.

### 1979

**Pomerleau OF** (1979). Representative for American Psychological Association at CHAMPUS hearings on alcoholism treatment services, Denver, CO, May.

**Pomerleau OF** (1979). Physiological and behavioral mechanisms in smoking. Invited presentation, Symposium, Contributions of psychology in the 1979 *Surgeon General's Report on Smoking and Health*, Annual Meeting of the American Psychological Association, New York, August.

**Pomerleau OF** (1979). Treatment of self-management problems as an example of behavioral medicine. Invited lecture, scientific program of Occupational Psychiatry Group, New York, November.

**Pomerleau OF** (1979). Chair, Symposium, Current trends in behavioral medicine. First annual meeting of the Society of Behavioral Medicine, San Francisco, CA, December; symposium recorded in *Audio Digest*, First Annual Convention of the Society of Behavioral Medicine, 1980.

**Pomerleau OF** (1979). Invited workshop on self-management techniques, with examples from the treatment of obesity, smoking, and problem drinking. First annual meeting of the Society of Behavioral Medicine, San Francisco, CA, December.

**Pomerleau OF, Wing R, Surwit R** (1979). Invited workshop on theory and practice of behavioral medicine, with examples from self-management and biofeedback. Annual meeting of the Association for the Advancement of Behavior Therapy, San Francisco, CA, December.

### 1980

**Pomerleau OF** (1980). Behavioral aspects of cigarette smoking. Invited lecture, Consultation/Liaison Psychiatry Lecture Series, Brown University, Rhode Island Hospital, Providence, RI, April.

**Pomerleau OF** (1980). Behavioral medicine: Examples from smoking research. Invited lecture, Psychology Colloquium, University of Rochester, Rochester, NY, April.

**Pomerleau OF** (1980). Behavioral medicine: Past and future. Invited lecture, Psychology/Psychiatry Service Colloquium, Northampton V.A. Medical Center, Northampton, MA, June.

**Pomerleau OF** (1980). Underlying mechanisms in substance abuse. Invited lecture for a conference, How Can Basic Research Contribute to the Treatment of Substance Abuse? Addiction Research Foundation, Toronto, Ontario, Canada, October.

**Pomerleau OF** (1980). Current trends in clinical behavioral medicine. Invited lecture, Berkshire Conference on Behavior Analysis, University of Massachusetts, Amherst, MA, October.

**Pomerleau OF** (1980). Behavioral therapies for alcoholism and problem drinking. Invited lecture, fourth annual Coatesville-Jefferson Conference on Alcoholism, Coatesville, PA, November.

**Pomerleau OF** (1980). Current trends in smoking research. Poster presentation, annual meeting of the Association for the Advancement of Behavior Therapy, New York, November.

Galland L, Baker L, **Pomerleau OF** (1980). Behavioral medicine program in a small general medical hospital. Poster presentation, annual meeting of the Society of Behavioral Medicine, New York, November.

**Pomerleau OF** Practicum participant. (1980). Models and methods of organization in the development of behavioral medicine centers. Annual meeting of the Society of Behavioral Medicine, New York, November.

## 1981

**Pomerleau OF** (1981). Conditioning factors in smoking. Invited lecture, annual meeting of American Psychiatric Association, New Orleans, LA, May.

**Pomerleau OF** (1981). Panel discussant. Conceptualizations of Behavioral Medicine. Annual meeting of the Association for the Advancement of Behavioral Therapy, Toronto, Ontario, Canada, November.

**Pomerleau OF** (1981). Conditioned craving and relapse prevention. Invited lecture, Psychology Colloquium Series, V.A. Medical Center, West Haven, CT, November.

1982

**Pomerleau OF** (1982). Chair, Symposium, Research on underlying mechanisms in self-management; presentation, Reactivity to alcohol cues in alcoholics. Annual meeting of the Society of Behavioral Medicine, Chicago, IL, March.

Baker L, Cooney N, **Pomerleau OF**, Fertig JB (1982). Cue exposure for relapse prevention. Paper presented at the Banff International Conference on Behavior Modification, Banff, Alberta, Canada, March.

**Pomerleau OF** (1982). Invited participant at the American Health Foundation/Krebshilfe (Germany), Conference on Human Behavioral Problems in Preventive Medicine, New York, April.

**Pomerleau OF**, Fertig JB, Seyler LE (1982). Neuropeptide responses in smoking. Poster presentation, annual meeting of the Academy of Behavioral Medicine Research, Bolton Valley, VT, June.

**Pomerleau OF** (1982). Invited lectures on behavioral medicine. Conference on Behavioral Programs in the Health Area, Universidad Nacional Autonoma de Mexico (National University of Mexico), Mexico City, Mexico, June.

**Pomerleau OF**, Pomerleau CS (1982). Smoking: Cutting down and quitting. Poster presentation, Society of Behavioral Medicine Exhibit, Knoxville World's Fair, Knoxville, TN, September.

**Pomerleau OF** (1982). Underlying biological mechanisms in smoking. Invited lecture, Department of Psychology, Yale University, New Haven, CT, November.

**Pomerleau OF** (1982). Behavioral medicine: Theory and practice: Invited lecture, Consultation/Liaison Psychiatry Service, Albert Einstein School of Medicine, Montefiore Hospital, Bronx, NY, December.

**Pomerleau OF** (1982). Conditioned salivation responses: Alcohol, nicotine, and obesity studies. Invited lecture, Wikler Memorial Symposium, annual meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico, December.

1983

Rayne T, Baker L, **Pomerleau OF** (1982). University of Connecticut Behavioral Medicine Training Program. Poster presentation, annual meeting of the Society of Behavioral Medicine, Baltimore, MD, March.

**Pomerleau OF** (1982). Substance abuse: A biobehavioral perspective. Invited MacArthur Foundation lecture, Boston University School of Medicine, Boston, MA, April.

Kadden R, **Pomerleau OF**, Meyer RE (1982). On the stimulus control of drinking in alcoholics. Invited presentation, Symposium *in memoriam* Abraham Wikler and Frank H. Fraser. Annual meeting of the Committee on Problems of Drug Dependence, Lexington, KY, June.

**Pomerleau OF** (1982). Behavioral medicine: Trends and directions. Invited lecture, Psychiatry Service Colloquium, Northampton V.A. Medical Center, Northampton, MA, July.

**Pomerleau OF** (1982). Neuropeptide effects of smoking. Invited presentation, Symposium on Biobehavioral Factors in Tobacco Use. Annual meeting of the American Psychological Association, Anaheim, CA, August.

**Pomerleau OF** (1982). Neurotransmitter and neurohormone mechanisms in reinforcement. Invited lecture, Department of Psychology, Yale University, New Haven, CT, October.

**Pomerleau OF** (1982). Chair, Symposium, Reinforcing properties of nicotine; presentation, Smoking-induced vasopressin and beta-endorphin release, antinociception and anxiety reduction. Annual meeting of the Pavlovian Society, Lexington, KY, November.

#### 1984

Kadden RM, **Pomerleau OF**, Meyer RE (1984). The role of respondent conditioning in alcoholism: A review. Invited lecture, Annual Meeting of the Society for Applied Behavior Analysis, Columbus, OH, May.

**Pomerleau OF** (1984). Chair, Symposium, Craving for alcohol: Recent research on psychological and physiological manifestations. Annual meeting of the Society of Behavioral Medicine, Philadelphia, PA, May.

**Pomerleau OF** (1984). Discussant, Symposium, Premenstrual symptoms. Annual meeting of the Society of Behavioral Medicine, Philadelphia, PA, May.

**Pomerleau OF** (1984). Chair, Symposium, Opioids in brain and gut; presentation, Stimulation of endogenous opioid release by nicotine, caffeine, pain, and exercise. Annual meeting of the Academy of Behavioral Medicine Research, Lake Geneva, WI, June.

**Pomerleau OF** (1984). Discussant, Symposium, Respondent and adjunctive learning in problem drinking. Berkshire Association on Behavior Analysis and Therapy, University of Massachusetts, Amherst, MA, September.

**Pomerleau OF** (1984). Neuropeptides in the reinforcement of smoking. Presentation, Postgraduate Medical Education Course, annual meeting of the American College of Chest Physicians, Dallas, TX, October.

**Pomerleau OF** (1984). Craving and cue reactivity to cigarettes. Invited presentation to the Division of Behavioral Medicine, Miriam Hospital, Brown University Program in Medicine, Providence, RI, October.

**Pomerleau OF** (1984). Discussant, Symposium, Treatment of nicotine dependent smokers. Annual meeting of the Association for the Advancement of Behavior Therapy, Philadelphia, PA, November.

**Pomerleau OF** (1984). Invited presentation, Symposium, Cue exposure and self-control: Implications for drinking, smoking, and eating disorders. Annual meeting of the Association for the Advancement of Behavior Therapy, Philadelphia, PA, November.

**Pomerleau OF** (1984). On the stimulus control of substance abuse. Invited colloquium, Department of Psychology, University of New Hampshire, Durham, NH, November.

**Pomerleau OF** (1984). Guest discussant. Connecticut Behavior Therapy Association, University of Hartford, Hartford, CT, November.

**Pomerleau OF** (1984). Neuroregulators and the reinforcement of addictive behavior. Psychiatry Grand Rounds, Veterans Administration Medical Center, Providence, RI, December.

1985

**Pomerleau OF** (1984). Interview on the reinforcement of smoking. "Good Morning America", National Broadcasting Company, New York, February.

**Pomerleau OF** (1984). Underlying biobehavioral mechanisms in the reinforcement of smoking. Institute for the Study of Smoking Behavior and Policy, Harvard University, Cambridge, MA, March.

**Pomerleau OF** (1984). Discussant, Symposium, The relationship between smoking and mood: Role of smoking in affect regulation. Annual meeting of the Society of Behavioral Medicine, New Orleans, LA, March.

**Pomerleau OF** Ralph M. (1984). Patterson Memorial Lecture, How people drink: On the stimulus control of alcohol abuse. Department of Psychiatry, Ohio State University, Columbus, OH, April.

**Pomerleau OF** (1984). Invited lecture, Nicotine, neuroregulators, and the reinforcement of smoking. Mental Health Research Institute, University of Michigan, Ann Arbor, MI, April.

**Pomerleau OF** (1984). Interest group on facilitation of research and training on biological and behavioral factors in health: Planning for the 1990's. MacArthur Foundation Network on Health Promoting and Health Damaging Behaviors, St. Petersburg, FL, May.

**Pomerleau OF** (1984). Introductory comments on neuroscience and psychopharmacology. Working meeting: Tobacco use as an addictive process. National Institute on Drug Abuse and Institute for the Study of Smoking Behavior and Policy, Harvard University, Cambridge, MA, July.

**Pomerleau OF** (1984). Invited lecture, Neuroregulators and the reinforcement of smoking. Smoking Relapse Workshop, National Heart, Lung, and Blood Institute, Bethesda, MD, July.

**Pomerleau OF** (1984). Invited address, Behavioral analysis: Does it stop at the skin? Annual meeting of the Berkshire Association for Behavioral Analysis and Therapy, Amherst, MA, October.

**Pomerleau OF** (1984). Neuroregulatory basis of smoking. Presentation, Postgraduate Medical Education Course, annual meeting of the American College of Chest Physicians, New Orleans, LA, October.

**Pomerleau OF** (1984). Invited lecture, The "Why" of tobacco dependence: Underlying reinforcing mechanisms in nicotine self-administration. World Congress on the Pharmacologic Treatment of Tobacco Dependence. New York, November.

**Pomerleau OF**, Jarvik ME (1984). Symposium, Nicotine as a psychoactive drug: Anxiety and Pain reduction, arousal, and appetite reduction. Annual meeting of the American College of Neuropsychopharmacology, Maui, HI, December.

Majchrzak MJ, **Pomerleau OF**, Pomerleau CS (1984). Nausea, cigarette smoking, nicotine, and pituitary hormone release. International Symposium on Tobacco and Health: A Neurobiological Approach, Lexington, KY, December.

## 1985

Majchrzak MJ, **Pomerleau OF**, Pomerleau CS (1985). Nausea, cigarette smoking, nicotine, and pituitary hormone release. International Symposium on Tobacco and Health: A Neurobiological Approach, Lexington, KY, December.

## 1986

Pomerleau CS, **Pomerleau OF** (1986). Performance anxiety, smoking, and cardiovascular reactivity. Annual meeting of the American Psychosomatic Society, Baltimore, MD, March.

**Pomerleau OF** (1986). The effects of acute exercise on neuroregulators and subsequent nicotine intake. Annual meeting of the Behavioral Pharmacology Society, Atlanta, GA, May.

**Pomerleau OF** (1986). Invited lecture, Commonalities between rewarding and pathophysiological mechanisms in smoking, Summer Institute of the MacArthur Foundation Network on Health-promoting and Health-damaging Behaviors, Palm Beach, FL, June.

**Pomerleau OF** (1986). A comprehensive workshop on smoking: From reinforcement mechanisms to prevention, treatment, and relapse management. Annual meeting of the American Psychological Association, Washington, D.C., August.

**Pomerleau OF, Pomerleau CS, Majchrzak MJ** (1986). Pituitary hormone response to nicotine in cigarette smoking. Annual meeting of the American Psychological Association, Washington, D.C., August.

**Pomerleau CS, Pomerleau OF, Majchrzak MJ, Hajjar J-J, Shanahan WR** (1986). Effects of mecamylamine on subsequent smoking and plasma nicotine levels. Annual meeting of the American Psychological Association, Washington, D.C., August.

**Pomerleau OF** (1986). Addiction and dependence. Iowa State University/NIDA Consensus Conference on Tobacco, Ames, IA, October.

**Pomerleau OF** (1986). The clinical significance of behavioral Medicine. Lecture series on the clinical significance of health promotion, Oakwood Hospital Department of Medical Education, Dearborn, MI, November.

## 1987

**Pomerleau OF** (1987). Chair, International Conference on Nicotine Replacement Strategies, sponsored by the University of Michigan and Harvard University, Bethesda, MD, January.

**Pomerleau OF** (1987). La dependance tabagique: Explication biocomportementale. Quatrieme Journee de la Dependence Tabagique, Universite Rene Descartes (U.E.R. Biomedicale), Paris, France, March.

**Pomerleau OF** (1987). Symposium: Commonalities in substance abuse. Annual meeting of the Society of Behavioral Medicine, Washington, D.C., March.

**Pomerleau OF** (1987). Biobehavioral perspectives on addiction: A general model and its implications for research. Third Annual Indiana University Conference for Research on Clinical Problems: Psychological Models of Addiction, Nashville, IN, May.

**Pomerleau OF** (1987). Nicotine replacement strategies in the treatment of smoking: A critical evaluation. Behavioral Medicine Colloquium, University of Michigan Department of Psychiatry, Ann Arbor, MI, June.

Henningfield JE, **Pomerleau OF** (1987). Symposium lecture, Pharmacological and neuroendocrine basis of nicotine replacement. Annual meeting of the American Psychological Association, August.

Pomerleau CS, **Pomerleau OF**, Majchrzak MJ (1987). Pretreatment with a central cholinergic antagonist increases smoking as measured by changes in plasma nicotine. Tenth Annual Congress of Pharmacology, Sydney, Australia, August.

**Pomerleau OF** (1987). Neuroendocrine response to different levels of nicotine in cigarette smoke (keynote address). International Symposium on Nicotine, Gold Coast, Queensland, Australia, September.

## 1988

**Pomerleau OF**, Pomerleau CS (1988). The cardiovascular effects of nicotine: An indictment. Symposium on Nicotine Uses and Abuses: From Brain Probe to Public Health Menace. Ann Arbor, MI, January.

Morrell EM, Pomerleau CS, Majchrzak MJ, **Pomerleau OF**, Malakuti R (1988). Heart-rate elevations in *Type A* women: A community-based sample. Annual meeting of the American Psychosomatic Society, Toronto, Canada, March.

**Pomerleau OF** (1988). Discussant and Panel Moderator, Seminar on "Tobacco use: A perspective for alcohol and drug researchers." Addiction Research Foundation, Toronto, Canada, April.

**Pomerleau OF** (1988). Institute on "Commonalities in addiction: Mechanisms and processes." Annual meeting of the Society of Behavioral Medicine, Boston, MA, April.

Cameron OG, Smith CB, Curtis GC, Lee MA, Hollingsworth PJ, Gurguis GNM, Pomerleau CS, **Pomerleau OF** (1988). Adrenergic dysfunction in anxiety disorders. Annual meeting of the American Psychiatric Association, Montreal, Quebec, Canada, May.

**Pomerleau OF**, Pomerleau CS, Rose, J.E. (1988). The problem of fixed nicotine dosing. Annual meeting of the Behavioral Pharmacology Society, Savannah, GA, May.

**Pomerleau OF** (1988). Invited address, Integration of behavioral and biological factors in smoking: A peek inside the black box. Annual meeting of the Association for Behavior Analysis, Philadelphia, PA, May.

**Pomerleau OF** (1988). Major Conference, Is substance use adaptive?: Biobehavioral considerations, Department of Psychiatry, University of Michigan, May.

**Pomerleau OF** (1988). Psychiatry CME, Why behavioral medicine? Department of Psychiatry, Henry Ford Hospital, May.

**Pomerleau OF** (1988). A comprehensive workshop on smoking: From reinforcement mechanisms to prevention, treatment, and relapse management. Annual meeting of the American Psychological Association, Atlanta, GA, August.

**Pomerleau OF** (1988). Fellow's Lecture, Physiological and biochemical reactivity to stress and smoking. Annual meeting of the American Psychological Association, Atlanta, GA, August.

**Pomerleau OF** (1988). Invited Lecture, A biobehavioral analysis of why people take drugs. Cambridge Center for Behavioral Studies, Cambridge, MA, September.

**Pomerleau OF** (1988). Participant, University of Michigan seminar series on licit/illicit drugs, symposium on "Why do people take drugs?", Ann Arbor, MI, September.

### 1989

**Pomerleau OF** (1989). Symposium Chair, Modulators of cardiovascular reactivity: Stress, nicotine, and caffeine. Annual meeting of the Society of Behavioral Medicine, San Francisco, CA, March.

**Pomerleau CS, Pomerleau OF** (1989). Cardiovascular reactivity to stress, smoking, and the two in combination. Annual meeting of the Society of Behavioral MI Medicine, San Francisco, CA, March.

**Pomerleau OF, Pomerleau CS** (1989). Nicotine modulation of cortisol with and without stress. Annual Meeting of the Behavioral Pharmacology Society, Annapolis, MD, May.

**Pomerleau OF, Pomerleau CS** (1989). Nicotine, stress, and corticosteroid activity. Annual Meeting of the American Psychological Association, New Orleans, LA, August.

**Pomerleau OF** (1989). Biobehavioral studies in humans: Anxiety, stress, and smoking. CIBA Foundation Symposium, Biology of Nicotine Dependence, London, England, November.

### 1990

**Pomerleau OF** (1990). Symposium chair, Corticosteroids, nicotine, and stress. Annual meeting of the Society of Behavioral Medicine, Chicago, IL, April.

**Pomerleau OF, Pomerleau CS** (1990). Stress, smoking, and corticosteroid activity. Annual meeting of the Society of Behavioral Medicine, Chicago, IL, April.

**Pomerleau OF** (1990). Chair, session on clinical pharmacology. Conference on Nicotine Replacement Therapy for Smoking Cessation, Lago Maggiore, Italy, July.

**Pomerleau OF** (1990). Limits of tolerance and potential applications of nicotine. Conference on Nicotine Replacement Therapy for Smoking Cessation, Lago Maggiore, Italy, July.

**Pomerleau OF**, Pomerleau CS, Morrell EM, Lowenbergh JM (1990). Effects of fluoxetine upon weight gain and food intake in smokers with reduced nicotine intake. XXI International Congress, International Society of Psychoneuroendocrinology, Buffalo, NY, August.

**Pomerleau OF** (1990). Cigarette smoking as drug self-administration. NHLBI workshop on Smoking and Body Weight, Memphis, TN, September.

**Pomerleau OF** (1990). Nicotine: Nature vs. nurture. Marion Merrell Dow Symposium on New Directions: The role of nicotine reduction therapy in the 90's. Palm Desert, CA, December.

### 1991

**Pomerleau OF**, Pomerleau CS (1991). Individual differences in physiological and biochemical sensitivity to nicotine and stress. Annual Meeting, Society of Behavioral Medicine, Washington, D.C., March.

Pomerleau CS, **Pomerleau OF**, Flessland KA, Basson SM (1991). "Harm-avoidance" is linked with degree of nicotine dependence in female but not male smokers. Annual Meeting, Society of Behavioral Medicine, Washington, D.C., March.

Pomerleau CS, Garcia AW, **Pomerleau OF**, Cameron OG (1991). Effects of menstrual phase and nicotine withdrawal on plasma MHPG in smokers. Annual Meeting, Society of Biological Psychiatry, New Orleans, LA, May.

**Pomerleau OF**, Pomerleau CS (1991). Euphoriant effects of nicotine in smokers. Annual Meeting, Behavioral Pharmacology Society, Chapel Hill, NC, May.

Pomerleau CS, **Pomerleau OF**, Flessland KA, Basson SM (1991). "Harm-avoidance" is linked with degree of nicotine dependence in female but not male smokers. Second Annual Albert J. Silverman Research Conference, University of Michigan Department of Psychiatry, Ann Arbor, MI, May.

Pomerleau CS, Garcia AW, **Pomerleau OF**, Cameron OG (1991). Effects of menstrual phase and nicotine withdrawal on plasma MHPG in smokers. Second Annual Albert J. Silverman Research Conference, University of Michigan Department of Psychiatry, Ann Arbor, MI, May.

**Pomerleau OF**, (1991). Strategies for implementing smoking cessation. CIBA-GEIGY Symposium on smoking cessation and nicotine dependence, Newark, NJ, May.

**Pomerleau OF**, Spring B, Pomerleau CS (1991). Effects of serotonergic agents on weight gain and food intake in smoking cessation treatment. Annual Meeting, Committee on Problems of Drug Dependence, Palm Beach, FL, June.

**Pomerleau OF** (1991). Nicotine and the central nervous system: Biobehavioral effects of cigarette smoking. Symposium, The effects of cigarette smoking: A global perspective. Washington, DC, July.

**Pomerleau OF** (1991). Nicotine dependence. Behavioral Medicine Colloquium, University of Michigan Department of Psychiatry, Ann Arbor, MI, August.

**Pomerleau OF** (1991). The psychopharmacology of nicotine, American Society of Addiction Medicine, Raleigh, NC, September.

**Pomerleau OF** (1991). Individual differences in sensitivity to nicotine. First Nicotine Roundtable Discussion, American Society of Addiction Medicine, Raleigh, NC, September.

**Pomerleau OF** (1991). Science of nicotine addiction, Annual Meeting of the American Academy of Family Physicians, Washington, DC, September.

**Pomerleau OF**, (1991). La nicotine, le cortisol, et le stress. Lecture à la 3e Journée de Tabacologie, Université de Paris (U.E.R. Biomédicale) Paris, October.

## 1992

Pomerleau CS, Garcia AW, **Pomerleau OF**, (1992). Effects of menstrual phase and nicotine abstinence on symptomatology in women smokers. Annual Meeting, Society of Behavioral Medicine, New York, NY, March.

**Pomerleau OF** (1992). Adequate Nicorette 4mg dosage is necessary to manage tobacco withdrawal symptoms in highly dependent smokers. Annual Meeting, Society of Behavioral Medicine. New York, NY, March.

**Pomerleau OF**, Pomerleau CS, Flessland KA (1992). Sensitivity to nicotine and the development of dependence. Annual meeting, Behavioral Pharmacology Society, Jekyll Island, GA, May.

**Pomerleau OF**, Spring B, Pomerleau CS (1992). Serotonergic agents modulate weight gain following smoking cessation. Third Annual Albert J. Silverman Research Conference, Ann Arbor, MI, May.

Pomerleau CS, Garcia AW, **Pomerleau OF** (1992). Effects of menstrual phase and nicotine abstinence on symptomatology in women smokers. Third Annual Albert J. Silverman Research Conference, Ann Arbor, MI, May.

**Pomerleau OF** (1992). Sensitivity to nicotine and the development of dependence. Annual Meeting, Behavioral Pharmacology Society, Baltimore, MD, May.

**Pomerleau OF**, Pomerleau CS, Cameron OG, Hariharan M (1992). Sensitivity to nicotine in smokers and never-smokers. Annual meeting of the College on Problems in Drug Dependence, Keystone, CO, June.

Hariharan M, VanNoord T, Domino EF, **Pomerleau OF** (1992). Sensitive GC-MS assay of nicotine and cotinine in plasma: Comparison to HPLC method for smokers' samples and assay of non-smokers samples. Annual Meeting, American Clinical Chemistry Association, Chicago, IL, July.

### 1993

**Pomerleau OF** (1993). Smoking, nicotine, and neuroregulators. Lilly Pharmaceutical Research Institute, Indianapolis, IN, January.

**Pomerleau OF** (1993). Everything you wanted to know about nicotine...and maybe a bit more. Behavioral Medicine Colloquium, University of Michigan Department of Psychiatry, Ann Arbor, MI, March.

**Pomerleau OF** (1993). Individual differences in sensitivity to nicotine. Oregon Research Institute, March.

Lumley MA, Hess P, **Pomerleau OF** (1993). Alexithymia, smoking, and nicotine dependency. American Psychosomatic Society, Charleston, SC, March.

Garcia AW, **Pomerleau OF**, Pomerleau CS, Drewnowski A (1993). Effects of fluoxetine and taste preference on weight loss in obese women. Annual Meeting, Society of Behavioral Medicine, San Francisco, CA, March.

Pomerleau CS, Carton SM, Lutzke ML, Ehrlich E, **Pomerleau OF** (1993). Reliability of the Fagerstrom Tolerance Questionnaire and the Fagerstrom Test of Nicotine Dependence. Annual Meeting, Society of Behavioral Medicine, San Francisco, CA, March.

**Pomerleau OF** (1993). Neuroregulatory effects of nicotine. American Society of Addiction Medicine, Washington, D.C., April.

Carton SM, Pomerleau CS, Lutzke ML, Ehrlich E, **Pomerleau OF** (1993). Reliability of the Fagerstrom Tolerance Questionnaire and the Fagerstrom Test of Nicotine Dependence. Fourth Annual Albert J. Silverman Research Conference, University of Michigan Department of Psychiatry, Ann Arbor, MI, June.

Pomerleau CS, **Pomerleau OF** (1993). Women and smoking. Invited symposium (Edith Gomberg, Chair), Women and Alcohol: Related Substance Abuses. Annual Meeting, Research Society on Alcoholism, San Antonio, TX, June.

Lumley M, **Pomerleau OF**, Stettner L, Wehmer F, Downey KK (1993). Alexithymia: Relationship to Cigarette Smoking and Nicotine Dependency. APA Annual Convention, Toronto, Ontario, August.

**Pomerleau OF** (1993). Différences individuelles dans la réactivité à la nicotine, Laboratoire de Neurobiologie, Centre National de la Recherche Scientifique, Marseille, France, October.

**Pomerleau OF** (1993). Rationale for combined nicotine therapies. Behavioral Medicine Colloquium, University of Michigan Department of Psychiatry, Ann Arbor, MI, November.

#### 1994

Pomerleau CS, Kurth CL, **Pomerleau OF** (1994). An association between binge-eating and "weight-control" smoking in women smokers. International Congress on Smoking Cessation, Glasgow, Scotland, March.

Pomerleau CS, **Pomerleau OF** (1994). Depression as a smoking withdrawal symptom. Annual Meeting, Society of Behavioral Medicine, Boston, MA, April.

Pomerleau CS, **Pomerleau OF** (1994). Gender differences in frequency of smoking withdrawal symptoms. Annual Meeting, Society of Behavioral Medicine, Boston, MA, April.

**Pomerleau OF** (1994). Individual differences in sensitivity to nicotine: Why some people smoke. Addiction Research Foundation, Clinical and Research Seminars, Toronto, Ontario, April.

Pomerleau CS, Kurth CL, **Pomerleau OF** (1994). An association between binge-eating and "weight-control" smoking in women smokers. Annual Meeting, Albert J. Silverman Research Conference, Ann Arbor, MI, June.

Pomerleau CS, **Pomerleau OF** (1994). Depression as a smoking withdrawal symptom. Annual Meeting, Albert J. Silverman Research Conference, Ann Arbor, MI, June.

Pomerleau CS, **Pomerleau OF** (1994). Gender differences in frequency of smoking withdrawal symptoms. Annual Meeting, Albert J. Silverman Research Conference, Ann Arbor, MI, June.

Pomerleau CS, **Pomerleau OF** (1994). Co-factors for smoking. International Symposium on Nicotine, Montreal, Canada, July.

**Pomerleau OF**, Giordani, B., Stelson, F. (1994). Amelioration of Parkinson's Disease symptoms by nicotine: Demonstration using a within-subject reversal design. International Symposium on Nicotine, Montreal, Canada, July.

**Pomerleau OF**, Pomerleau CS, Carton SM (1994). Individual differences in the effects of naltrexone on smoking. XXV International Congress, International Society of Psychoneuroendocrinology, Seattle, WA, August.

Pomerleau CS, Downey KK, Stelson FW, **Pomerleau OF** (1994). Smoking and adult ADHD: A connection? Seventh Annual Conference on Nicotine Dependence, American Society of Addiction Medicine, Cambridge, MA, November.

**Pomerleau OF** (1994). Nicotine addiction and the addicted patient. Continuing Medical Education Series, Oakwood Hospital, Dearborn, MI, December.

## 1995

**Pomerleau OF** (1995). Why some people smoke. Annual Meeting, Association for Applied Physiology and Biofeedback, Cincinnati, OH, March.

**Pomerleau OF** (1995). Chair, Symposium, History of nicotine research. First Annual Meeting, Society for Research on Nicotine and Tobacco, San Diego, CA, March.

**Pomerleau OF** (1995). Chair, Federal roundtable on nicotine and tobacco research. First Annual Meeting, Society for Research on Nicotine and Tobacco, San Diego, CA, March.

Pomerleau CS, **Pomerleau OF**, Downey KK, Gray AM (1995). A test to predict depression as a smoking withdrawal symptom. First Annual Meeting, Society for Research on Nicotine and Tobacco, San Diego, CA, March.
